# CREWFIT 180<sup>PRO</sup>

The first of its kind, an everyday boating lifejacket designed using 3D technology to radically increase comfort levels. Successful integration of a high volume shaped bladder design, a peninsula chin support and increased buoyancy to 180N provides you with maximum in water performance. The Crewfit 180N Pro wraps all of these safety features into a fun, stylish, 3D shaped and super comfy cover.

#### KEY FEATURES:

- A transparent 'window' on the front of the jacket showing the status of the inflator, allowing you to check your lifejacket is in working order without having to unpack and repack the jacket
- Dual buckle system and side waist adjusters, uniquely designed to ensure swift donning - essential if the wind gets up and it's all hands on deck
- Light weight soft loop D-ring for attaching safety line (harness version)
- A built in peninsular chin support tilts your neck back and keeps your airways clear
- AIS compatible, allows for automatic activation on inflation
