ERGOFIT 290^{OC}

The ErgoFit 290N OC is a 3D-moulded lifejacket designed for those working in the most ferocious and extreme marine environments or for serious ocean sailors facing the full fury of the elements. With nowhere to hide when a storm rolls in, it is vital to have the best safety kit on the market. The ErgoFit 290N OC is just that. With its intelligent cut-away profile, it allows you total mobility, leaving your body, limbs and hands unhindered and free to move, work and perform.

KEY FEATURES:

- A transparent 'window' on the front of the jacket showing the status of the inflator, allowing you to check your lifejacket is in working order without having to unpack and repack the jacket
- Side waist adjusters, uniquely designed to ensure swift donning - essential if the wind gets up and it's all hands on deck
- Increased buoyancy – 290N Newton's (approved to ISO 275N)
- Light weight soft loop D-ring for attaching safety line
- Unique bladder distribution, providing turning solutions in less than three seconds and allows you to move your arms freely
- A built in inflatable chin support tilts your neck back and keeps your airways clear
- AIS compatible, allows for automatic activation on inflation
