GLORIA PDE 1

The popular,
universal
fire
extinguishers!

GLORIA PDE 1 - compact design and easy operation - a quick and user friendly extinguishing

Due to the small external dimensions and intuitive usage, the product is suitable in all areas where a quick and trouble-free operation is necessary.

This is a result of the use of proven and reliable method for triggering. Squeeze-grip mechanism allows simple and effective extinguishing.

GLORIA PDE 1 GA / PD 2 G/A – handy powder extinguishers in comfort version

Protect your family, home and property with a modern fire extinguisher from GLORIA, one of the world's leading manufacturers of portable fire extinguishers.

GLORIA fire extinguishers PDE 1 / PD 2 can be used in the following fire classes:

Type	A	B	C	MED
PDE 1 GA	8	34	•	—
PD 2 G/A	13	89	•	☼

Areas of use:

- Cars
- Trucks
- Campers
- RVs
- Motor boats and yachts
- Workshops
- Households
- Shipping companies

Squeeze-grip mechanism - necessary when speed and easiness of operation are key features (especially in stressful situations).

Small external dimensions.

Equipped with car bracket and patented security strap - in standard.

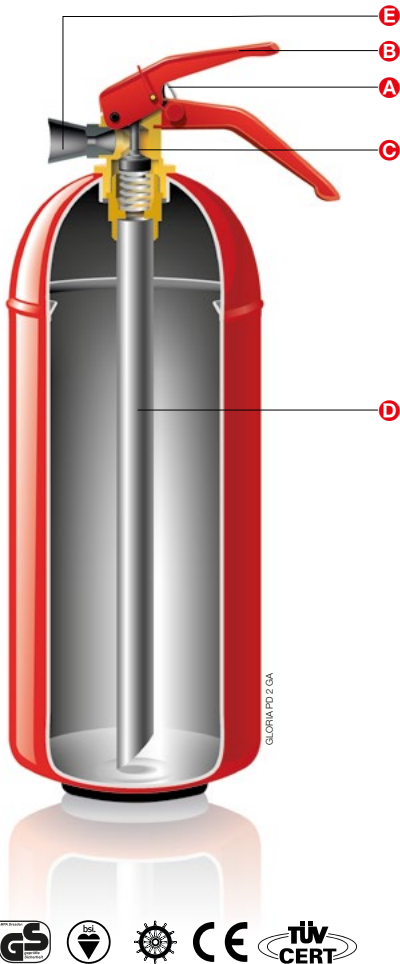

High-efficiency extinguishing power and long duration of extinguishing blast.

Extinguishing stream suppressible - at any time.

Serviceable and refillable after use - for many times.
